Numerous internal Honda documents were shared and explained during these meetings. Honda's lead counsel, in-house senior counsel, and a Honda engineer have attended each of the in-person meetings, as have several of Plaintiffs' counsel. WHEREAS, Honda does not believe Plaintiffs' claims are meritorious and has denied and continues to deny that it is legally responsible or liable to Plaintiffs or any member of the Class for any of the matters asserted in this Litigation, but has concluded that settlement is desirable to avoid the time, expense, and inherent uncertainties of defending protracted litigation and to resolve, finally and completely all pending and potential claims of Plaintiffs and all members of the Class relating to claims which were or could have been asserted by Plaintiffs and the Class in this Litigation relating to the alleged practices and claimed defects at issue;

practicable.

However, the Parties agree to use their best efforts, consistent with this Settlement Agreement, to cure any defect(s) identified by the Court.

E. The Parties acknowledge that prompt approval, consummation, and implementation of the Settlement set forth in this Settlement Agreement are essential. The Parties shall cooperate with each other in good faith to carry out the purposes of and effectuate this Settlement Agreement, shall promptly perform their respective obligations hereunder, and shall promptly take any and all actions and execute and deliver any and all additional documents and all other materials and/or information reasonably necessary or appropriate to carry out the terms of this Settlement Agreement and the transactions contemplated hereby.

F. Upon Entry of the Final Approval Order, this Action shall be dismissed, on its merits and with prejudice, subject to the continuing jurisdiction of this Court. The Final Approval Order also will enjoin the prosecution of any litigation or class action related to the Rear Braking System on behalf of any member of the Settlement Class (other than any Class Members who timely and properly opt out of or request exclusion from the Settlement Class).

III. SETTLEMENT TERMS

A. Reimbursement for Rear Brake Repairs: Upon the submission of a timely and valid Claim Form and Required Documentation, Honda through the claims administrator agrees to reimburse Class Members for rear brake repairs on the Class Vehicles as follows:

1. Rear Brake Pad Replacement: Honda will reimburse Class Members the lesser of one hundred and twenty five dollars (\$125) or fifty percent (50%) of the Out of Pocket Expense for each Rear Brake Pad replaced (1) with a brake pad bearing either Part No. 43022-TA0-A00, Part No. 43022-TA0-A51, or Part No. 43022-TA0-A70, (2) during the Benefit Period, (3) prior to the installation of a New Material Brake Pad, (4) for which a Class Member incurred an Out of Pocket Expense, and (5) for which a Claim is made no later than ninety (90) days after the Effective Date. There is no cap or limit to the number of Rear Brake Pad replacements for which a Class Member may seek reimbursement. Class Members may submit multiple Claims for Rear Brake Pad replacements using a single Claim Form. Class Members may combine Claims for Rear Brake Pad replacements, on the one hand, and a Claim for the New Material Brake Pad on the other, using a single Claim Form, or may submit Claims for reimbursement for the Rear Brake Pad replacement and the New Material Rear Brake Pad replacement using separate Claim Forms. Class Members may seek reimbursement under this paragraph for qualifying Rear Brake Pad replacements whether they were obtained at an authorized Honda dealership or elsewhere. If a Class Member performed the Rear Brake Pad replacement himself or herself (i.e. did not go to a Honda dealership or third-party repair facility for the repair), he or she may seek reimbursement under this paragraph for the Out Of Pocket Expense for the Rear Brake Pad parts used, but not for the cost of labor.

2. Reimbursement for Installation New Material Brake Pads: Honda will provide a one-time reimbursement to Class Members for the installation of the New Material Brake Pads. The reimbursement amount will be the lesser of one hundred and fifty dollars (\$150) or one hundred percent (100%) of the Out of Pocket Expense for the installation of New Material Brake Pads (parts, labor and turning of rotors). Beginning from the date the

Preliminary Approval Order is issued, Honda agrees to maintain the manufacturer's suggested retail price ("MSRP") for the New Material Rear Brake Pads to \$66.66 for one (1) year. Honda further agrees not to increase the MSRP for the New Material Brake Pad by more than five percent (5%) each of the next two years.

3. Repairs under this paragraph qualify for reimbursement if (1) performed during the Benefit Period, (2) the Class Member incurred an Out of Pocket Expense, and (3) a Claim is made within ninety (90) days after the Effective Date or the date of repair, whichever is later. Repairs under this paragraph qualify for reimbursement whether they are obtained at an authorized dealership or elsewhere, provided original authorized Honda parts are used. If a Class Member installed the New Material Brake Pad himself or herself (i.e. did not go to a Honda or Acura dealership or third-party repair facility for the repair), he or she may seek reimbursement under this paragraph for the Out Of Pocket Expense for the New Material Brake Pad used, but not for the cost of labor.

B. Information Program: Honda agrees to create an information program, subject to Class Counsel's input and approval, that will provide to Honda and Acura authorized dealership personnel, service technicians, field representatives, employees, Class Members (via a posting on the settlement website), and which will be available to third-party technicians through a third-party provider, such as Service Express. The information program will be accomplished through a service news publication. To provide this information:

- (1) Honda will issue a "Service News" to be jointly approved by the Parties, a copy of which shall be available on the Settlement website, which will refer to this Settlement and its associated URL and will include the manufacturer's suggested retail price for the New Material Brake Pad.

The Service News also will be designed to minimize costs for Class Members by discouraging unnecessary services or repairs to the Class Vehicles' Rear Braking System, including the unnecessary resurfacing of rotors;

- (2) Honda through the Claims Administrator will mail Class Notice to all Class Members;
- (3) Honda will include instructions with the New Material Brake Pads regarding the procedures to install them including the reorientation of the caliper slide pins;
- (4) Honda will be prepared, through its customer service department, to respond to questions regarding how to submit a claim under the Settlement and other aspects of this Agreement. Honda's customer service department is accessible through a toll-free telephone number, which will appear in the Class Notice and Settlement website, among other places.

C. Any dispute regarding relief under the terms of the Settlement, including the validity of any Claim Form submitted, will be handled in accordance with the arbitration review procedures set forth in Honda's Limited Warranty (i.e., the Better Business Bureau ("BBB")), as found in the Honda or Acura warranty manual, except that the BBB decision shall be binding on all parties. Class Counsel shall have the right to participate in any arbitration review. The expense of the arbitration review will be borne by Honda, except for attorney's fees by Class Counsel or other counsel selected by the class member (if any), and any other Class Member expenses.

IV. NOTICE AND RELATED PROVISIONS

A. Honda will retain a Claims Administrator, which shall be responsible, subject to the Court approving the same, for the following notice program:

1) Direct mailed notice to all Class Members for which Honda maintains names and addresses. Class Notice will be sent within sixty (60) days of the entry of a Preliminary Approval Order and will include one Claim Form.

2) Maintaining a Settlement website by the Claims Administrator—subject to Class Counsel approval—which will contain: (1) instructions on how to obtain reimbursements; (2) instructions on how to contact the Claims Administrator, Honda or Class Counsel for assistance; (3) all bulletins or notices related to the Rear Braking System which are related to this Settlement; (4) a copy of the Claim Form, Class Notice, and this Settlement Agreement; and (5) other information the Parties determine is relevant to this Settlement.

B. The Parties agree that any and all publications (through websites, website postings, chat rooms, media interviews, etc.) or any other communications by the parties regarding this settlement will be consistent with the Settlement Agreement, Class Notice, Claim Form, Preliminary Approval Order, Final Approval Order, and any press release mutually will be prepared and agreed upon by the Parties. Nothing in this paragraph shall limit (1) Class Counsel's ability to communicate with Class Representatives, putative Class Members, or the Court, and (2) Honda's ability to communicate with Honda and Acura dealers and consumers.

C. Proof of Notice. No later than ten (10) days prior to the Final Approval Hearing, the Claims Administrator shall provide an affidavit for the Court, with a copy to Class Counsel, attesting that notice was disseminated in a manner consistent with the terms of this Settlement Agreement, or those otherwise required by the Court.

D. Within ten (10) days after the Settlement Agreement is filed with the Court, Honda shall comply with the notice provisions of the Class Action Fairness Act, 28 U.S.C. § 1715 ("CAFA Notice").

E. All costs of the Claims Administrator, Class Notice, CAFA Notice, and the Claims Administrator website will be paid by Honda. There shall be no charge to Honda, however, if the Class Notice also is posted on Class Counsel's website(s) or for posting any other information on such website(s).

V. CLAIMS ADMINISTRATOR

A. Honda agrees to employ a qualified Claims Administrator, suitable to both Parties, to disseminate the Class Notice and to administer the Claims.

B. The Claims Administrator, within ten (10) days of receiving a complete and proper Claim with Required Documentation, will send to the Class Member by first class mail either (1) their reimbursements in the form of a check that must be cashed within ninety (90) days, or (2) a written explanation stating the reasons for refusing to send the reimbursement(s), including all steps the individual can take to cure the alleged deficiencies. If the Class Member's check is not cashed within ninety (90) days, the Claim Administrator will reissue the check at the Class Member's request, so long as the Claims Administrator is continuing to administer the Settlement. The general form of the written explanation response shall be approved by both Parties. Any Class Member whose Claim is denied in whole or in part shall be allowed thirty (30) days after receipt of notice from the Claims Administrator to submit materials to cure the alleged deficiencies. The response will inform the Class Member that he or she has thirty (30) days to cure the deficiencies.

C. In any instance in which the Claims Administrator finally denies a Claim, the

Class Member may, within thirty (30) days of receipt of notice of the decision, after providing notice to Honda and attempting to resolve the issue with Honda's customer service center, seek arbitration review pursuant to the provisions set forth in Paragraph III(C).

D. In connection with its administration of the Settlement, the Claims Administrator shall maintain a record of all contacts from Class Members regarding any Claim or any other topic involving this Settlement. During the first six (6) months after dissemination of Class Notice, the Claims Administrator shall provide Honda and Class Counsel with monthly reports of all contacts and responses. The Parties retain the right to audit and review the claims handling by the Claims Administrator. Thereafter, the Claims Administrator shall provide these reports to the Parties as requested.

VI. REQUESTS FOR EXCLUSION BY CLASS MEMBERS

A. The provisions of this paragraph shall apply to any Request for Exclusion. Any Class Member may make a Request for Exclusion by mailing or delivering such request in writing to the Claims Administrator at the addresses set forth in the Class Notice. Any Request for Exclusion must be postmarked or delivered not later than the date specified in the Court's Preliminary Approval Order. Any Request for Exclusion shall (i) state the Class Member's full name and current address, (ii) provide the model year and VIN of his/her/its Class Vehicle(s) and the approximate date(s) of purchase or lease, and (iii) specifically and clearly state his/her/its desire to be excluded from the Settlement and from the Settlement Class. Failure to comply with these requirements and to timely submit the Request for Exclusion will result in the Class Member being bound by the terms of the Settlement.

B. Any Class Member who submits a timely Request for Exclusion may not file an objection to the Settlement and shall be deemed to have waived any rights or benefits under this

Settlement Agreement.

C. Class Counsel shall report the names of all individuals who have submitted a Request for Exclusion to the Court no less than ten (10) days prior to the Final Approval Hearing.

VII. OBJECTIONS BY SETTLEMENT CLASS MEMBERS

A. The Parties will request that the Court enter an order requiring any Class Member who wishes to be heard orally at the Final Approval Hearing, or who wishes for any objection to be considered, to file a written notice of objection by the Objection Date, as well as a notice of intention to appear at the Final Approval Hearing. To state a valid objection to the Settlement, an objecting Class Member must provide the following information in his, her or its written objection (i) set forth his/her/its full name, current address, and current telephone number; (ii) identify the model year of his/her/its Class Vehicle(s), as well as the VIN of his/her Class Vehicle(s); (iii) set forth a statement of the position(s) the objector wishes to assert, including the factual and legal grounds for the position; and (iv) provide copies of any other documents that the objector wishes to submit in support of his/her/its position. In addition, any Class Member objecting to the Settlement shall provide a detailed list of any other objections submitted by the objector, or the objector's counsel, to any class action settlements submitted in any court, whether state, federal or otherwise, in the United States in the previous five (5) years. If the Class Member or his or her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he, she or it shall affirmatively so state in the written materials provided in connection with the objection to this Settlement.

B. Subject to approval of the Court, any objecting Class Member may appear, in person or by counsel, at the Final Approval Hearing held by the Court, to show cause why the

proposed Settlement should not be approved as fair, adequate and reasonable, or object to any petitions for attorneys' fees, incentive awards, and reimbursement of reasonable litigation costs and expenses. The objecting Class Member must file with the Clerk of the Court and serve upon all counsel designated in the Class Notice, a notice of intention to appear at the Fairness Hearing ("Notice of Intention to Appear") by the Objection Deadline or on such other date that may be set forth in the Class Notice. The Notice of Intention to Appear must include copies of any papers, exhibits, or other evidence that the objecting Class Member (or his/her/its counsel) will present to the Court in connection with the Fairness Hearing. Any Class Member who does not provide a Notice of Intention to Appear in complete accordance with the deadlines and other specifications set forth in the Class Notice, and who has not filed an objection in complete accordance with the deadlines and other specifications set forth in this Settlement Agreement and the Class Notice, subject to approval by the Court, will be deemed to have waived any objections to the Settlement and can be barred from speaking or otherwise presenting any views at the Final Approval Hearing.

C. The filing of an objection allows Class Counsel or Counsel for Honda to notice such objecting person for and take his or her deposition consistent with the Federal Rules of Civil Procedure at an agreed-upon location, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure by an objector to make himself or herself available for a deposition or comply with expedited discovery requests may result in the Court striking said objector's objection and otherwise denying that person the opportunity to make an objection or be further heard. The Court reserves the right to tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or is made for an improper purpose.

D. The agreed-upon procedures and requirements for filing objections in connection with the Final Approval Hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Class Member's objection to the Settlement Agreement, in accordance with the due process rights of all Class Members.

VIII. MUTUAL RELEASE, DISMISSAL OF ACTION, AND JURISDICTION OF COURT

A. By this Settlement Agreement and the following Release, Defendant is released from any and all claims or causes of action that were, or could have been, asserted by the Plaintiffs or any Class Members against them, regarding the Class Vehicle's Rear Braking System as alleged in the Action. Without assuming that the Release given by this Settlement Agreement is a general release, Plaintiffs and Class Members expressly waive and relinquish to the fullest extent permitted by law, the rights provided by Section 1542 of the California Civil Code, which provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release which if known by him must have materially affected his settlement with the debtor.

Plaintiffs and the Settlement Class Members recognize that, even if they later discover facts in addition to or different from those which they now know or believe to be true, they nevertheless agree that, upon entry of the Final Approval Order and accompanying Judgment, Plaintiffs and the Settlement Class Members fully, finally, and forever settle and release any and all of the Released Claims. The Parties acknowledge that the foregoing waiver and release was bargained for and is a material element of the Settlement Agreement.

B. This Settlement Agreement and Release does not affect the rights of Class

Members who timely and properly request exclusion from the Settlement Agreement. The Settlement Agreement and Release does not release claims for personal injury, property damage, or claims for subrogation.

C. By this Settlement Agreement and the following Release, Defendant releases Class Representatives and Class Counsel from any and all claims or causes of action that were, or could have been, asserted by Defendant pertaining to the Litigation and/or Settlement. Defendant recognizes that, even if it later discovers facts in addition to or different from those which it now knows or believes to be true, Defendant nevertheless agrees that, upon entry of the Final Approval Order and accompanying Judgment, Defendant fully, finally, and forever settles and releases any and all of the Released Claims. The Parties acknowledge that the foregoing waiver and release was bargained for and is a material element of the Settlement Agreement.

D. The administration and consummation of the Settlement as embodied in this Settlement Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Settlement Agreement, including, but not limited to, the Release. The Court expressly retains jurisdiction to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement Agreement, including, but not limited to, orders enjoining Class Members from prosecuting claims that are released pursuant to the Settlement Agreement and allowing for discovery related to objecting persons.

E. Upon issuance of the Final Approval Order: (i) the Settlement Agreement shall be the exclusive remedy for any and all Class Members, except those who have opted out in accordance with the terms and provisions hereof; (ii) Defendant shall not be subject to liability or expense of any kind to any Class Member(s) for reasons related to the Litigation except as set

forth herein; and (iii) Class Members shall be permanently barred from initiating, asserting, or prosecuting any and all released claims against Defendant.

IX. ATTORNEYS' FEES AND INCENTIVE AWARDS

A. All expenses incurred in administering this Settlement Agreement, including, without limitation, the cost of the Class Notice, and the cost of distributing and administering the benefits of the Settlement Agreement, shall be paid by Defendant, subject to the limitations contained herein and approval of the Court.

B. Defendants have agreed to pay, subject to Court approval, and to support the award of attorneys' fees, costs and expenses up to the total sum of Two Million Dollars And No Cents (\$2,000,000), which shall be paid upon application by Class Counsel to the Court. In no event shall Defendant be required to pay Plaintiffs, Class Members or Class Counsel in aggregate attorneys' fees, costs or expenses in an amount greater than \$2,000,000 for any activity related in any way to this Action or Litigation. Such award shall be paid by wire transfer and shall be delivered to an account to be designated and agreed upon by the Parties fourteen (14) days after the date the Final Approval Order is entered or as shall otherwise be agreed to in writing by Class Counsel and Honda. In the event the Final Approval Order is reversed, and such reversal becomes final (i.e., all appeals and avenues of review are exhausted), the full amount of attorneys' fees, costs and expenses shall be remitted to Defendant within fourteen (14) days of such reversal becoming final.

C. Given the efforts of the two named Plaintiffs on behalf of the Class Members, Defendant has agreed to pay Plaintiffs up to a total of Two Thousand Dollars and No Cents (\$2,000) in Incentive Awards, to be as follows: \$1,000 each to Vanessa Browne and Paul Moore. Such award shall be paid by check and shall be delivered to plaintiffs' counsel (14) days

after the date the Final Approval Order is entered or as shall otherwise be agreed to in writing by Class Counsel and Honda. In the event the Final Approval Order is reversed, and such reversal becomes final (i.e., all appeals and avenues of review are exhausted), the full amount of all Incentive Awards shall be remitted to Defendant within fourteen (14) days of such reversal becoming final.

X. REPRESENTATIONS, WARRANTIES AND COVENANTS

A. Class Counsel, who are signatories hereof, represent and warrant that they have the authority, on behalf of Plaintiffs, to execute, deliver, and perform this Settlement Agreement and to consummate all of the transactions contemplated hereby. This Settlement Agreement has been duly and validly executed and delivered by Class Counsel and Plaintiffs and constitutes their legal, valid and binding obligation.

B. Defendant, through its undersigned attorneys, represents and warrants that it has the authority to execute, deliver, and perform this Settlement Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance by Defendant of this Settlement Agreement and the consummation by it of the actions contemplated hereby have been duly authorized by all necessary corporate action on the part of Defendant. This Settlement Agreement has been duly and validly executed and delivered by Defendant and constitutes its legal, valid, and binding obligation.

XI. MISCELLANEOUS PROVISIONS

A. This Settlement Agreement is not to be used in evidence and shall not at any time be construed or deemed to be any admission or concession by Defendant with respect to any alleged wrongdoing, fault, or omission of any kind whatsoever, regardless of whether or not this Settlement Agreement results in entry of a Final Approval Order as contemplated herein.

Defendant specifically denies all of the allegations made in connection with the Litigation. Neither this Settlement Agreement nor any class certification pursuant to it shall constitute, in this or in any other proceeding, an admission by Defendant, or evidence or a finding of any kind, that any requirement for class certification is satisfied with respect to the Litigation, or any other litigation, except for the limited purpose of settlement pursuant to this Settlement Agreement. This Settlement Agreement also is made with the Parties' express understanding and agreement that (a) under applicable laws, it is appropriate that a class be certified for settlement purposes only (i.e., without needing to satisfy fully the standard required for certification of the matter for litigation purposes); (b) Defendant contests and denies that any class, including the proposed Settlement Class, is suitable for certification as a class under the law of any jurisdiction, other than for the purposes of this Settlement Agreement; and (c) notwithstanding any other provisions of this Settlement Agreement, all actions and proceedings pursuant to it shall be consistent with the foregoing. This provision shall survive the expiration or voiding of the Settlement Agreement.

B. This Settlement Agreement is entered into only for purposes of Settlement. In the event that the Final Approval Order is not entered or a Final Approval Order is subsequently reversed by an appeal, this Settlement Agreement, including any releases or dismissals hereunder, is canceled, and no term or condition of this Settlement Agreement, or any draft thereof, or of the discussion, negotiation, documentation or other part or aspect of the Parties' settlement discussions, shall have any effect, nor shall any such matter be admissible in evidence for any purpose, or used for any purposes whatsoever in the Litigation, and all Parties shall be restored to their prior rights and positions as if the Settlement Agreement had not been entered into.

C. The Parties agree that Defendant may withdraw or terminate this Settlement Agreement prior to the Settlement Hearing if more than one percent (1%) of Class Members have submitted valid and timely Requests for Exclusion. For purposes of determining whether the conditions for withdrawal or termination of the Settlement Agreement have occurred, copies of all Requests for Exclusion timely received, together with copies of all written revocations of Requests for Exclusion, shall be delivered to the Defendant's Counsel within three (3) days of receipt by Class Counsel, but, in no event, later than ten (10) Court days before the Final Approval Hearing. In the event of a withdrawal from this Settlement Agreement in accordance with the terms of this paragraph, this Settlement Agreement shall become null and void and of no further force and effect.

D. The Class Counsel Fees and Expenses, as awarded by the Court, shall be paid in accordance with the terms set forth in paragraph IX(B) of the Settlement Agreement or as shall otherwise be agreed to in writing by Class Counsel and Honda.

E. The headings of the sections and paragraphs of this Settlement Agreement are included for convenience only and shall not be deemed to constitute part of this Settlement Agreement or to affect its construction.

F. This Settlement Agreement may not be modified or amended except in writing and signed by all of the Parties.

G. This Settlement Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

H. This Settlement Agreement shall be governed by and construed in accordance with the substantive laws of the State of California without giving effect to any choice or conflict

of law provision, or rule that would cause the application of the laws of any other jurisdiction.

I. Except as otherwise provided in this Settlement Agreement, each party to this Settlement Agreement shall bear his, her or its own costs of the Litigation.

J. The Parties to this Settlement Agreement reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extensions of time that might be necessary to carry out any of the provisions of this Settlement Agreement, as well as to correct any inadvertent, non-substantive mistakes or typographical errors contained in any of the Settlement papers.

K. Proper notice shall be given to Plaintiffs and Defendant of all applications for Court approval or Court orders required under this Settlement Agreement.

L. The determination of the terms of, and the drafting of, this Settlement Agreement has been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel. Since this Settlement Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply. The Parties were represented by competent and effective counsel throughout the course of settlement negotiations and in the drafting and execution of this Settlement Agreement, and there was no disparity in bargaining power among the Parties to this Settlement Agreement.

M. This Settlement Agreement constitutes the entire, fully integrated agreement among the Parties and cancels and supersedes all prior written and unwritten agreements and understandings pertaining to the Settlement of the Litigation.

N. The Parties agree that any disputes regarding the meaning of the terms and conditions of this Settlement Agreement, the Parties' rights and obligations under this Settlement

Agreement, and/or as to any disagreement regarding the manner in which any issue or dispute arising under this Settlement Agreement should be resolved, shall be submitted to the Court for resolution.
